DoubleTree Hotel, Bloomington, MN

Today's bankers face a wide range of challenges from the ever-changing landscape of regulation, technology, and competition. To address these needs, ICBM has expanded the focus of our bi-annual expo beyond just technology.

This year we have rebranded the event as the CONNECT Community Banking Expo and are moving to a new larger location to accommodate the demand for quality speakers, exhibitors, and sponsors. Known as the TechXpo in 2017, the event brought together more than 70 banks and over 250 bankers.

Companies like yours that deliver products and services to banks are encouraged to exhibit. In addition to exhibitor space we encourage you to consider additional sponsorship opportunities.

Don't miss this opportunity to reach hundreds of bankers who are interested in your products and services.
